Exercice d'écriture

Ecris en majuscule et en minuscule.

A diagram illustrating a sequence of points connected by a dashed line. The first two points are solid black circles. Subsequent points are blue dots. The dashed line starts at the second point, passes through the third, then loops back to the fourth, then continues linearly through the remaining points.

A horizontal sequence of 10 blue dots connected by a thin black line, representing a path or sequence.

A horizontal sequence of 10 blue dots connected by dashed lines forming a zigzag pattern.
