Pirates

Who are the pirates?

Pirates are the **robbers of the seas**. They steal from ships that come in range of their guns. Pirate ships have many crew members on board who obey a "**code of honour**" and follow strict rules.

Pirate ships carry the **Jolly Roger**, the pirate flag which flies from the top of the mast, a black flag with a skull and crossbones; sometimes these flags are also decorated with skeletons, swords or even the face of the pirate captain himself.
