Inverno

## O inverno

### O que é o inverno?

O inverno é **uma das 4 estações** juntamente com a primavera, o verão e o outono.

É a estação em que está **mais frio** e em que **neva** em certos países; é por isso que **as plantas descansam** e **os animais hibernam**.

E tu, já alguma vez viste neve?

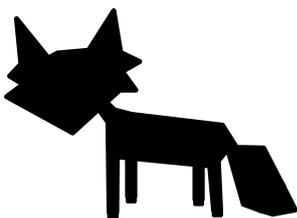

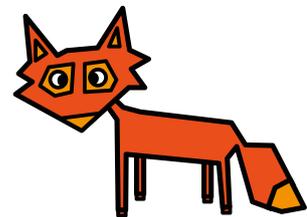

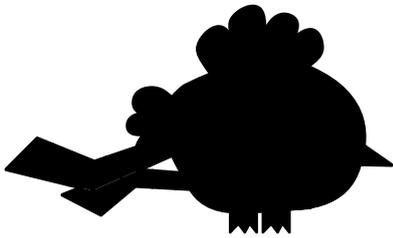

Ligar

Precisas de:

 1 caneta

Liga a sombra à imagem correspondente.

# Aprender as cores e pintar
