

Zahlen und Buchstaben

Verbinde die Zahlen und Buchstaben in der richtigen Reihenfolge und finde heraus, welches Objekt aus dem Weltall sich dahinter verbirgt.

The puzzle consists of 50 numbered dots and 11 lettered dots (A-K) scattered around a central drawing of a face. The face has two large, oval eyes with small pupils and a smiling mouth with two curved lines. The numbers and letters are arranged in a way that they can be connected to form the shape of the face. The numbers range from 1 to 50, and the letters are A through K.
